

# CHOIR PHOTOGRAPHY RELEASE

The Johnstown Choir Department is very visible in the social media world. We like to share important and informative updates and reminders; we also like to share some fun moments shared throughout the school year. Before we move forward with posts on our website, Facebook, Twitter, and Instagram pages, we would like to have parental consent from all of our students' parents/guardians to post their pictures. Please complete the choir photography release below so that we know whether or not we have your permission to post your child's picture in relation to the Johnstown Choir Department. If you do not feel comfortable with us posting your child's picture on our social media, we will honor your wishes and make sure your child's picture will not be posted.

Please return this photography release by **FRIDAY, AUGUST 25<sup>TH</sup>, 2023.**
